WHAT IS A COOKIE?

A cookie is a small (text) file that is stored by the browser on your computer when you visit our website. This information can be sent back to us with your next visit to the website. This way our website can recognize you.

WHY DO WE USE COOKIES?

RiZZ uses functional, analytical and tracking cookies. Cookies ensure that the website is loaded quickly and you can visit our website safely. The cookies also ensure that we gain insight into how the website is used and how we can improve the website. In addition, we and third parties may use cookies to display Marketings that match your interests. This way we can realize the best user experience.

WHICH COOKIES DOES RiZZ USE?

Functional cookies

These cookies are necessary for the website to work. Without these cookies, not all elements of the website can be loaded.

Analytical cookies

Analytical cookies are used to view the quality and effectiveness of our website. For example, we can see how many visitors we get to the website and which pages they visit. We use this information to analyze and improve our website.

Tracking cookies

We ask you for permission to place tracking cookies so that we can display appropriate and relevant content on our website. Based on the pages you have visited, Marketings may be displayed that are of interest to you.

SOCIAL MEDIA

On the RiZZ website, social media buttons refer to Facebook, Twitter, Instagram, Pinterest, Vimeo and YouTube. These buttons can be used for information about RiZZ, to promote RiZZ or to share information about RiZZ on social media. RiZZ is not responsible for the privacy policy of Facebook, Twitter, Instagram, Pinterest, Vimeo and YouTube. These social media determine how these social media buttons function. The privacy policy of these social media providers changes regularly. You can consult the privacy policy of Facebook, Twitter, Instagram, Pinterest, Vimeo and YouTube on the websites of this social media.

HOW CAN I TURN OFF OR REMOVE COOKIES?

You can choose not to give permission for the placement of cookies. You can also set cookies to be blocked in the internet browser. It varies per browser how you can set this, most browsers explain this in the help function. If you block cookies, you may not be able to access our website or it may not work as well.
